ORDER NO.

2020-92

THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.

SUBJECT:

DOCKET NO. 2019-64-WS - Application of CUC, Incorporated for Adjustment of Rates and Charges - Staff Presents for Commission Consideration a Request from Counsel for CUC, Incorporated for the Commission to Modify Its Directive Dated January 22, 2020, to Reflect an Adjustment to Previously Approved Revenue Requirement.

COMMISSION ACTION:

A discrepancy occurred between the operating margin and revenue requirement stated for CUC in the Commission's directive of January 22, 2020. The directive approved an increase in operating revenues of \$136,302, resulting in total operating revenues of \$1,421,148, net income of \$177,786, and an operating margin of 12.51%. However, CUC has calculated that an increase of \$136,202 would result in an operating margin of 12.05%. The Company states that the Office of Regulatory Staff agrees with the calculations.

CUC has calculated that an operating revenue increase of \$146,900 is necessary to achieve a 12.51% operating margin.

I move that we accept the Operating Revenue of \$146,900 as the accurate reflection of an operating margin of 12.51%. I further move that the Company submit a tariff consistent with the Commission's stated operating margin of 12.51%.
